July is Bike Safety Month

Attention Parents!!! Learn some safety tips to protect your children when they are riding their bikes, in-line skates, and skateboards this summer.

- ✍ Make sure your child always wears a helmet to prevent head injuries.
- ✍ The helmet should comply with U.S. CPSC Safety Standards.
- ✍ All helmets must fit snugly to the head and always fasten the chin strap.
- ✍ If a helmet has been cracked or been involved in a serious impact, replace it. The protection may not be adequate in future impacts.
- ✍ For in-line skaters and skateboarders always wear elbow and knee pads to help protect these impact areas.
- ✍ Look in all directions before entering or crossing a street.
- ✍ Watch out for parked cars!
